	12-18 months £16 (members) £28 (guests)	<b>Block of 6</b> £87 (members) £156 (guests)

**All morning classes must have adult supervision.**

### **Wee West End Musicals**

The hills are alive with the sound of Maggie and Rose!! Oliver, The sound of music and Mary Poppins are the basis for this energetic and inspiring performance workshop.

### **Maggie and Rose Fame Academy**

Attention all singers, dancers and drama queens! This is a wonderful opportunity for little stars to sing their hearts out, strut their stuff and become mini divas for the day. A must for young entertainers.

### **Africa, Africa**

Explore the wonderful diversity of the African continent. From tribal designs to traditional dance and dress up explore Africa's native rituals and exotic foods.

### **Bubble Masquerade Ball**

Based on our very successful creative play class, our bubble ball teaches the fine art of blowing bubbles. When you have that down to a tee create your own handmade costume and attend a special masquerade ball with dance and dress up for all!

### **Art for Starlight!**

In true Maggie and Rose style these art workshops are jam packed full of creative projects, inspired by some of our favorite 'real live' artists. All artwork will become part of a bonafide art exhibition in aid of the fantastic charity Starlight! (To take place in Autumn)

### **Mad Scientists**

This is a sneak peek at our "Extreme Experiments Super Science Club" next term. Our scientists will first dress up to play the part and then attempt to make some super slime and perhaps cause an explosion or two!!

### **Jackson Pollock**

It's back! The messiest art workshop imaginable!! Inspired by Jackson Pollock we will employ his wacky techniques to create cool canvases to take home. Avoid dressing them in their Sunday best, you have been warned!!!

### **Ready steady Cook**

Based on the well known TV programme, this cooking workshop is guaranteed to bring laughter and cause mess as the children host their own show, cook as fast as they can and vote on the best dishes but don't worry everyone is a winner. We'll even do that all important 10 second countdown at the end!

### **Bakers & Spice**

Throw that store bought bread out the window and perfect your baking skills with Belles today. We will learn to knead, mix, roll and flavor our own lovely loaf. Then take it home so Mummy and Daddy can sample a slice.

### **Super Sushi**

As the title suggests all things Japanese are explored in this workshop. Slice up some sushi, hone your origami skills and explore the delicate and beautiful culture of Japan.

### **Perfect Pasta**

After our very fun pasta making workshop in May we thought we would give it a second whirl for those who may have missed out. Children will watch and learn how to make pasta from scratch, then sample their own dish. And when it gets too hot in the kitchen our little chefflets can come into the art studio and learn about some popular Italian traditions.

### **Summer BBQ**

Finally our garden is getting put to good use as we host our first barbeque. There will be some mouth watering cooking, crafts and play, the essentials for a lovely summer bbq. Fingers crossed for the sunshine!

### **Baby Music**

This gorgeous class is so popular we couldn't disappoint our bouncy bambinos by taking it away for the summer! So all new and familiar faces are welcome to this course, which is a gentle introduction to music and movement using friendly props and encouraging themes.

### **Mini Masters Summer Club**

Throughout this year our Messy Master's Art class has been by far our most popular so we are extending it into a six week course over the summer for those who just can't get enough. Colors and shapes will be our focus for the sunny season, so don't forget to book as places will fill quickly.
